Discover. Relax. And save at the same time.

In March and April warm temperatures and long sunny days of skiing beckon. And, if the weather doesn't play along, you can simply relax in the Thermal Römerbad.

With a ski pass of 3 days or more, you get a 30% discount on the valid ski pass tariff plus a 4-hour entry to the thermal bath area of the Thermal Römerbad, which can be used during regular opening times and during the validity of the ski pass.

Look forward to sweeping turns and wide, perfectly groomed slopes. You can get to the top of the mountain comfortably and without waiting times with the 24 modern cable cars and lifts via five accesses.

Do you long for relaxation after a sporty day? In the Thermal Römerbad you will find everything you need to leave everyday life behind you. Let yourself drift in the warm thermal pools, or treat yourself to a soothing massage.
